Choosing Health in Lake County (CHIL)

Who we are:

CHIL is community coalition made up of over 12 community members from different local organizations.

What we do:

We provide information to the public about local resources and services. We also create improvements to the food environment of Lake county, and establish partnerships between community organizations and local clinical providers.

Why we do it:

CHIL hopes to help create an environment in which the healthy choice is the easiest choice for residents of Lake county, so that families can live long, healthy lives!
